**OFFICE OF PETITIONS**

In re Patent No. 6,900,964	:	
Issue Date: May 31, 2005	:	
Application No. 10/080,069	:	DECISION ON PETITION
Filed: February 21, 2002	:	
Attorney Docket No. TUC920010111US1	:	

This is a decision on the petition under 37 CFR 1.378(c), filed January 7, 2010 to accept the unintentionally delayed payment of a maintenance fee for the above-identified patent.

The petition is **GRANTED**.

This patent expired on June 1, 2009 for failure to pay the three and one-half year maintenance fee. Since this petition was submitted within twenty-four months after the six-month grace period provided in 37 CFR 1.362(e), the petition was timely filed under the provisions of 37 CFR 1.378(c).

The maintenance fee is hereby accepted and the above-identified patent is reinstated as of the mail date of this decision.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the delay in filing a timely response was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay in paying the maintenance fee was in fact unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay in paying the maintenance fee was intentional, petitioner must so notify the Office. Further, it is not apparent whether the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute this patent. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts. Additionally, the address given on the petition differs from the address of record. A courtesy copy of this decision is being mailed to the address given

on the petition; however, the Office will mail all future correspondence solely to the address of record.

Further, it is unclear as to the intent of the document "DELEGATION TO GRANT POWERS OF ATTORNEY" submitted by Ron Lauderdale on January 7, 2010. A review of USPTO records reveals no Statement under 37 CFR 3.73(b) filed in the above-identified application. 37 CFR 3.73(b) provides that: (1) when an assignee seeks to take action in a matter before the Office, the assignee must establish its ownership of the property to the satisfaction of the Commissioner; (2) ownership is established by submitting to the Office, in the Office file related to the matter in which action is sought to be taken, documentary evidence of a chain of title from the original owner to the assignee (e.g., copy of an executed assignment submitted for recording) or by specifying (e.g., reel and frame number) where such evidence is recorded in the Office; (3) the submission establishing ownership must be signed by a party authorized to act on behalf of the assignee; and (4) documents submitted to establish ownership may be required to be recorded as a condition to permitting the assignee to take action in a matter pending before the Office. A 37 CFR 3.73(b) statement is enclosed.

Therefore, if petitioner's intent is to seek appointing a power of attorney the document submitted is not accepted. Further, a revocation of power of attorney with a new power of attorney and change of correspondence address is also required. Form PTO/SB/81A is enclosed.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-7751.
